

Divination With Turds

Gypsies have been reading tea leaves for years with amazingly accurate results. Now in this new millennium, you can brush up on your clairvoyant skills in your very own commode. What will happen today? Is romance just around the corner? Will I get that promotion? All of these answers actually “come from within yourself”.

Basic chart:

1 Turd:

Facing north / south - nothing to worry about today.

Facing west / east - probably get caught by a train or go through a security gate of some kind.

Diagonal - expect a trip through the country.

Is the letter “I” – it’s all about you today.

Is the letter “J” – a good day to go to the pawn shop.

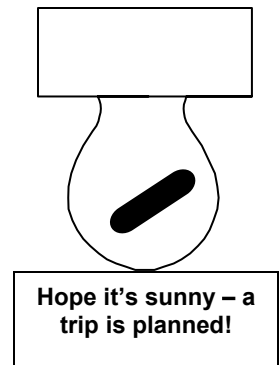

Is the letter “L” – you’ll fall in love today – with a person.

Is the letter “O” – your keys will fall into a sewer.

Is the letter “S” – you’ll get soft ice cream today.

Is the letter “U” – You’ll buy a set of drinking glasses.

Is the letter “V” – go fight someone – you’ll win.

2 Turds:

Expect company today, but here's what it means

Scattered – you won't get along with anyone today.

Parallel facing north/south – you and your partner won't get along. Make sure you double-wipe in case of a make-up. If single, you will meet someone at a bus stop.

Parallel facing east / west – you and your partner will fall asleep on the couch together tonight. If single, you'll accidentally watch an infomercial.

Forming an “X” pattern. – wow, that doesn't happen often. Expect more of the unexpected today. Don't worry, it's a good sign.

Forming an Arrowhead “^” – a meeting of the minds today. Hope you didn't go out drinking last night – you'll wish you didn't since you'll be sharp as a bag of wet mice.

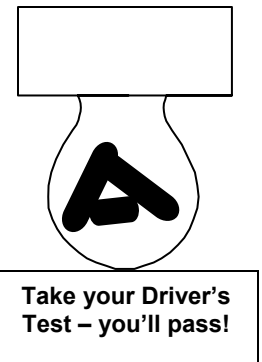

Forming a “T” – uh –oh. T is for trouble. Be as nice as possible today to ward off any potential danger.

3 Turds

Scattered – expect a weird day. If you're an organized person, unexpected things will happen. If you're an unorganized person, you'll have a "regular" day.

Spells the word "In" – you hear a lot of gossip today.
Spells the word "It" – you'll notice the word "it" on a billboard.
Spells "UI" – expect to get laid off.
Spells "IV" – you'll wind up at the hospital at some point.

Forming an A – hope you take a test of some kind – you'll pass!
Forming a C – you need to buy some vitamins.
Forming a D – stay home – if you go out, you'll complain it was dull.
Forming a F – you'll fail a test of some kind.
Forming an H – you'll help a friend move furniture.
Forming a K – you might visit www.greggkoyal.com sometime today.
Forming an N – if you made a wish while sitting, it won't come true.
Forming a Q – you're not supposed to touch it yourself. Go wash your hands.
Forming a S – you'll take a walk in the park today.
Forming a U – you'll pot flowers this evening.
Forming a Y – if you made a wish while sitting, it will come true today!
Forming a Z – go back to sleep.

4 or more Turds

You'll feel better, no doubt about it. If this keeps up for a couple of days, see a doctor.

A cloudy bowl

Nerves – calm down.

Pebbles (ala Rabbit)

Good luck for the day – just don't go jogging.

Colours

Brown, Tan, Beige – you're fine.
Black – stop eating breakfast at a diner.
Red – what the heck did you do last night?
Neon Green – you have radiation poisoning.
Any other colour – expect the opposite fortune.

Size

Big – exaggerated fortune (ei. T means trouble – expect bigger troubles).
Small – nothing major.
All the same size – you'll have a consistent day.
Some big, some small – not the routine day you're used to.
